

SUBMISSION INSTRUCTIONS

Do follow the given instructions for the submission of Task_1.1:

1. There should be four files in total, two files for code of respective assignments and two media files for expected output of respective assignments.
2. The code files are the .txt files containing assignment code.
3. The media files are the .mp4 video files containing expected output video.
4. The code files should be name as:
Task_1.1_assignment number_code.txt
E.g., for assignment 1 it should be, Task_1.1_1_code.txt
5. The media files should be name as:
Task_1.1_assignment number_output.mp4
E.g., for assignment 1 it should be, Task_1.1_1_output.mp4
6. Do follow the naming convention properly.
7. All the files should be zipped and uploaded to the Google Classroom before the deadline to avoid marks deduction.

!!...Happy Learning...!!
