

SUBMISSION INSTRUCTIONS

After successful completion of the assignments submit your code for given Task. Submit the assignment according to the following instructions:

1. There should be two jupyter notebooks for two tasks with codes and three output screenshots provided in the assignment respectively.
2. The Jupyter Notebook for first assignment should be named as: **Assignment_Numpy.ipynb**
3. The Jupyter Notebook for another assignment should be named as: **Assignment1_OpenCV.ipynb**
4. For OpenCV assignment provide the output screenshots for every operation respectfully.
5. The output screenshots should be named as: **Assinment1_Output_N.jpg** (N = 1,2,3.....N)
6. The whole file should be zipped and named as: **Task1_StudentName.zip**
E.g., Task1_SarrahMaster.zip
7. Do follow the naming convention properly.
8. Upload the assignment on Google Classroom before the deadline.

...HAPPY LEARNING!!!!...
