

SUBMISSION INSTRUCTIONS

After successful completion of the assignments submit your code for given Task. Submit the assignment according to the following instructions:

1. The Jupyter Notebook for assignment should be named as: **Assignment_2.ipynb**
2. For OpenCV assignment provide the output screenshots for every operation respectively.
3. The output screenshots should be named as: **Assignment2_Output_N.jpg** (N = 1,2,3.....N)
4. The whole file should be zipped and named as: **Task2_StudentName.zip**
E.g., Task2_SarrahMaster.zip
5. Do follow the naming convention properly.
6. Upload the assignment on Google Classroom before the deadline.

...HAPPY LEARNING!!!!...
