Day_2

Download the task material from Google Classroom and extract the folder. Every time, it is better option to extract the zipped folder before working on it.

- ➢ Do find the following files within **Day2 folder** that contains this **Read Me.pdf** file.

- First folder is day2
    - o This folder contains file **Numpy_and_OpenCV_operations.pdf**
    - o This file contains resources for Numpy and Basic operations with **OpenCV** on **images**
    - o Read the resource file thoroughly

- Second folder is **Task1**
    - o This folder contains Jupyter Notebook for **Assignment_ NumPy.ipynb**
    - o Also this folder contains Jupyter Notebook for **Assignment1_OpenCV.ipynb**

- Third file is **Submission_Instructions.pdf**
    - o This file contains the submission instructions related to Task 1..

…HAPPY LEARNING!!!...
